No.	Botanical Names.	Natural Orders.	Tamil and Common Names.	Description.
1	Aberia caffra ...	Bixineæ ...	Akee Apple ...	An armed shrub, used as a hedge plant in Africa.
2	Abroma augusta ...	Sterculiaceæ.	Devil's cotton tree.	Handsome free flowering shrub, flowers dingy purple.
3	Abutilon striatum ...	Malvaceæ ...	Lantern flower ...	Suited to pot culture, flowers orange-red, bell-shaped.
4	Acacia Farnesiana ...	Leguminosæ	Peevalum ...	Flowers sweet-scented, branches armed, would make a good hedge plant.
5	Acalypha Wilkesiana ...	Euphorbiaceæ	Thanpoochee nuttay.	Leaves coppery green, mottled and splashed with red and crimson.
6	Do. marginata ...	Do. ..	...	Leaves ovate-acuminate with a distinct margin of rosy carmine.
7	Do. Godseffiana ...	Do. ...		Leaves light green with a white margin.

8	Do. Hamiltoniana ...	Do. ...	...	Plant of a distinct habit, leaves long and narrow.
9	Do. hispida ...	Do. ...	...	Leaves dull green with long racemes of bright red flowers.
10	Do. Macafeeana ...	Do. ...	...	Leaves red, blotched with bronzy crimson.
11	Do. musaica ...	Do. ...	...	Leaves bronzy green, variegated with orange and dull red.
12	Do. obovata ...	Do. ...	...	Like A. marginata in colour, leaves more rounded.
13	Do. macrophylla ...	Do. ...	...	Leaves cordate-ovate, russet brown blotched with paler spots.
14	Do. torta ...	Do. ...	...	Leaves twisted, tinted olive-green.
15	Do. fruticosa ...	Do. ...	Sinnee cheddy ...	A common weed used medicinally.
16	Do. Brownei ..	Do. ...	...	A tall strong-growing variety, leaves red.
17	Do. Indica ...	Do. ...	Kooppamenee ...	A common weed used medicinally.
18	Acanthus montanus ..	Acanthaceæ.	...	A shrub, 3 feet high, with rose-coloured flowers.
19	Do. illicifolia ...	Do. ...	...	A close-growing shrub resembling the holly.

Note.—No. 19, 12 annas each.

No.	Botanical Names.	Natural Orders.	Tamil or Common Names.	Description.
20	Adhatoda vasica ...	Acanthaceæ.	Audathodai ..	A shrub, 10 ft. high, flowers purple.
21	Aglaia odorata ...	Meliaceæ ...	Chulan tree ...	A compact shrub with small yellowish green, sweet-scented flowers.
22	Allamanda neriifolia ...	Apocynaceæ.	..	A very hardy species growing in bush form, flowers deep golden yellow streaked with orange.
23	Do. violacea ...	Do. ...	...	Somewhat like the former in growth, flowers tinted purple.
24	Angelonia salicariæfolia ...	Scrophularineæ.	Gorgon flower ...	Suitable for planting near water, flowers blue.
25	Allophyllus cobbe ..	Sapindaceæ...	Thanjobost ...	A small shrub, berries small, black, poisonous.
26	Alpinia nutans ...	Scitamineæ...	Doombooorashtacam.	An effective species, flowers pink, sweetly-scented, borne in drooping racemes.
27	Alpinia calcarata ...	Do. ...	Sannarashtacam...	A tall-growing species with small pink flowers.
28	Alpinia vittata ...	Do. ...		A tall-growing species with yellow and green foliage.
29	Do. magnifica ...	Do.	Pyramid flower ...	A large handsome species with pink flowers borne in dense heads.

30	Aloysia citriodora ...	Verbenaceæ.	Sweet-scented Verbena.	For pot culture only.
31	Aphelandra cristata ...	Acanthaceæ.	...	A handsome free-blooming species, flowers brilliant orange scarlet.
32	Aralia Guilfoylei ...	Araliaceæ .	...	Stems dotted, leaf-margin creamy white.
33	Do. do. sport ...	Do. ...	...	Of less robust habit than the former, yellow variegation.
34	Do. maculata ...	Do. ...	...	Leaves a light green, stem and leaf stalk of a blackish-purple hue with numerous green spots.
35	Do. filicifolia ...	Do. ...	...	Fern-like foliage, stem and leaf stalks purplish, thickly dotted with white spots.
36	Do. Veitchii ...	Do. ...	...	A strong growing variety with plain green leaves.
37	Do. papyrifera ...	Do. ...	Japanese paper Mulberry.	Large green palmate leaves.
38	Do. monstrosa ...	Do. ...	..	Leaves irregularly serrated, broadly margined with white, sometimes develop most fantastic forms.
39	Ardisia polycephala ...	Myrsineæ ...	...	A large shrub, bright green glossy foliage, flowers white.

Note.—No. 21, 12 annas each.

No.	Botanical Names.	Natural Orders.	Tamil or Common Names.	Description.
40	Ardisia neriifolia ...	Myrsineæ ...	...	A new introduction.
41	Arduina bispinosa ...	Apocynaceæ.	Natal Plum ...	A small shrub with small white-scented flowers, followed by red berries.
42	Artemesia abrotanum	Compositæ ..	Southern wood ...	A deciduous shrub, flowers yellow.
43	Do. vulgaris ...	Do. ..	Massee puttree ..	*Mugwort*, leaves whitish, flowers yellow.
44	Do. affra ..	Do. ..		A new introduction.
45	Do. Austriaca ...	Do. ...	Marikolundoo or Davanum.	A small pot plant with whitish leaves.
	Do. do. var. orientalis.	Do. ..	...	A variety of the former.
46	Asclepias curassavica ..	Asclepiadeæ.	Segappu Yerukkan	Flowers reddish orange scarlet, borne in erect umbels, suitable for pot culture.
47	Aster amellus	Compositæ .	..	A doubtful species resembling the *Michelmas Daisy*.
48	Atalantia monophylla ..	Rutaceæ ..	KattooEloomichan	A thorny shrub with small white flowers in axillary racemes.
49	BalsamodendronRoxburghii	Burseraceæ...	...	A rough-growing plant, should make a good hedge plant.
50	Do. Berryi ...	Do.	Gûkul ..	Like the former, also a good hedge plant.

51	Baliospermum axillare ...	Euphorbiaceæ	...	A rough-growing shrub, small white flowers.
52	Barklya syringifolia ...	Leguminosæ.	...	A large shrub, flowers golden yellow.
53	Barleria prionitis ...	Acanthaceæ.	Vada-mullee ...	A small herbaceous plant, flowers orange yellow.
54	Do. tomentosa var. acuminata.	Do.	...	A small herbaceous plant, flowers yellow and pink.
55	Do. cristata ...	Do. ...	...	A good hot weather flowering shrub.
56	Do. do. vars. rosea & alba	Do. ...	...	Varieties of the former.
57	Do. lupulina ...	Do. ...	...	A pretty species with long foliage having a distinct pink midrib.
58	Do. involcrata ...	Do. ...	...	An herbaceous plant, pretty blue flo wers.
59	Bauhinia acuminata ...	Leguminosæ.	Kokkoo Mandaray.	A small shrub, flowers pure white.
60	Do. tomentosa ...	Do. ...	Thiroovalla Konnay.	A medium-sized shrub, flowers pale yellow.
61	Do. racemosa ...	Do. ...	Siru Authee ...	A small tree with small white flowers in racemes.
62	Do. variegata ...	Do. ...	Mandaray ellay ...	A large shrub, flowers red marked with white and yellow at the base.
63	Do. do. var candida.	Do. ...	Punneer Mandaray.	A large shrub with almost pure white flowers, slightly scented.
64	Do. purpurea ...	Do. ...	Segappoo Mandaray.	A medium-sized shrub, flowers purple with one petal streaked with white.

No.	Botanical Names.	Natural Orders.	Tamil or Common Names.	Description.
65	Bauhinia monandra ...	Leguminosæ.	...	A handsome species, flowers white and pink.
66	Do. Galpini ...	Do. ...	..	A showy, species, introduced from Natal, flowers bright red.
67	Brassaia actinophylla ...	Araliaceæ	Kodaimaram ...	The *Australian umbrella tree*. Large handsome foliage.
68	Brexia Madagascariensis ..	Saxifrageæ ...	...	A large shrub, flowers green.
69	Breyneia rhamnoides ...	Euphorbiaceæ	Tikker	A pretty shrub when in berry.
70	Brownea coccinea ...	Leguminosæ.	Mountain Rose ...	A handsome shrub with large heads of scarlet flowers.
71	Do. grandiceps ...	Do. ...	...	A spreading shrub with very fine bunches of scarlet flowers.
72	Do. Ariza ...	Do. ...	...	A superior species to coccinea, flowers rich scarlet.
73	Brugmansia suaveolens	Sôlanaceæ ...	Angels trumpet ...	A loose shrub, flowers white sweet-scented.
74	Brunsfelsia Americana ...	Do. ...	...	A small shrub, flowers yellow, changing to white, sweet-scented.
75	Bryophyllum calycinum ...	Crassulaceæ...	Runa Kalle ...	A fleshy erect evergreen shrub, flowers small, yellowish red, borne in terminal panicles.

76	Bunchosia glandulosa ...	Malpighiaceæ	...	A small shrub-bearing racemes of yellow flowers.
77	Bursaria spinosa ...	Pittosporaceæ	...	A small thorny shrub with small white flowers.
78	Cæsalpinia pulcherrima ...	Leguminosæ.	Bailkonnay ...	*Pride of Barbados*, a well-known shrub, useful for cut flowers.
79	Do. sappan ...	Do. ...	Vertengee ...	*Sappan wood*, a small shrub with large bright yellow flowers.
80	Do. bonducella ...	Do. ...	Getcha kai ...	A rough straggling shrub, useful as a hedge plant.
81	Callistemon lanceolatum ...	Myrtaceæ ...	Bottle Brush tree.	Hard-wooded shrub, flowers deep red.
82	Callicarpa lanata ...	Verbenaceæ.	...	A small shrub with purple flowers.
83	Calotropis gigantea ...	Asclepiadeæ.	Erookkun ...	*Swallow wort*, a milky shrub, leaves whitish, flowers mauve to white.
84	Calpedenia lasiogyne ...	Leguminosæ.	...	A new introduction.
85	Canella alba ...	Canellaceæ ...	Kattoo lavengum.	*Wild Jamaica Cinnamon.* (*See* Economic list.)
86	Canna of varieties ...	Scitamineæ.	Indian shot ...	*See* separate list.
87	Carissa carandas ...	Apocynaceæ.	Kalah kai ...	A spiny shrub with small white flowers.
88	Cassia floribunda ...	Leguminosæ.	A low shrub ...	Leaflets 3 to 5 pairs, flowers yellow, free flowering.

Note.—No. 66, 67, 68, 70, 71, 72 and 84, 12 annas each. No. 86, Rs. 3 per dozen

No.	Botanical Names.	Natural Orders.	Tamil or Common Names.	Description.
89	Cassia alata ...	Leguminosæ.	Seemay Agathee ..	A medium-sized shrub, leaflets 8 to 12 pairs, flowers yellow.
90	Do. glauca ...	Do. ...	Konnay ...	A large shrub, leaflets 5 to 6 pairs, flowers sulphur yellow.
91	Do. auriculata ...	Do. ...	Avaray ...	A small shrub, leaflets 8 to 12 pairs, flowers yellow. (*See* Economic list.)
92	Catesbæa spinosa ...	Rubiaceæ ...	Spinose Lily thorn	An evergreen shrub, flowers greenish yellow, tubular and pendulous.
93	Cerbera odallum ...	Apocynaceæ.	Oodalum kai ...	*Bastard mango*, a well-shaped tree, bright green foliage, pure white flowers.
94	Chiococca racemosa ...	Rubiaceæ ...	Snow berry ...	A graceful shrub, flowers at first white and unscented, changing to yellow and scented.
95	Chrysanthemum hybridum.	Compositæ ...	Samanthee ...	Well-known garden plants.
96	Chrysophyllum Cainito ...	Sapotaceæ ...	Star apple ...	A large shrub, leaves silvery beneath, flowers white.
97	Citharexylum subserratum.	Verbenaceæ.	Fiddle wood ...	A large shrub, quick growth, flowers white, scented.
98	Clerodendrum inerme ...	Do. ...	Peesungun or Glory tree. ...	A dwarf-spreading, shrub useful for hedges, flowers small, white.

99	Do. phlomoides ...	Do. ...	Taludalee ...	Rough scandent shrub, flowers pinkish.
100	Do. calamitosum ...	Do. ...	Hurtful clerodendron.	Height 4 feet, flowers white.
101	Do. nutans ...	Do. ...	Drooping flowered clerodendron.	A pretty shrub with white drooping flowers.
102	Do. fragrans ...	Do. ...	Fragrant clerodendron.	Height 6 feet, flowers white, borne in large terminal corymbs.
103	Do. infortunatum.	Do. ...	...	Height 6 feet, flowers vivid scarlet.
104	Do. siphonanthus.	Do. ...	Bharangi or tube flower.	Height 6 feet, flowers white, tubular.
105	Do. fallax ...	Do. ...	..	Height 5 feet, flowers bright scarlet, borne in large terminal corymbs.
106	Do. squamatum ...	Do. ...	...	Somewhat resembling C. fallax.
107	Do. macrosiphon ...	Do. ...	...	Long white tubular flowers.
108	Clusia rosea ...	Guttiferæ ...	Balsam tree ...	A large shrub, bearing pretty rose-coloured flowers.
109	Coccoloba uvifera ...	Polygonaceæ.	Sea-side grape ...	A straggling shrub, flowers small, white, scented.
110	Coffea Wightiana ...	Rubiaceæ ...	Wild Coffee of S. India.	*See* Economic list.
111	Do. Arabica ...	Do. ...	Arabian Coffee ..	Do.

Note.—Nos. 92, 94 and 96, 12 annas each. No. 95, 2 to 8 annas each.

No.	Botanical Names.	Natural Orders.	Tamil or Common Names.	Description.
112	Coffea Liberica ...	Rubiaceæ ...	Liberian Coffee ...	*See* Economic list.
113	Do. stenophylla ...	Do. ...	Sierre Leone Coffee.	Do.
114	Do. Zanquebariæ ...	Do. ...	...	Do.
115	Do. Bengalensis ...	Do. ...	Bengal Coffee ...	Do.
116	Do. robusta ...	Do. ...	...	Do.
117	Colubrina Asiatica ...	Rhamneæ ...	W. Indian Hoop Withe.	A large scandent shrub, deep green foliage, small greenish flowers.
118	Costus speciosus ...	Scitamineæ ...	...	Useful for planting near water, flowers white.
119	Do. Malorticanus ...	Do. ...	...	Flowers golden yellow, marked with irregular orange bands.
120	Do. musaicus ...	Do. ...	...	Leaves dark green with silver-grey margins.
121	Do. After ...	Do. ...	African Costus ...	Flowers white, tinged with yellow.
122	Do. igneus ...	...	...	Flowers bright orange scarlet.
123	Crescentia Cujete ...	Bignoniaceæ	Calabash tree ...	A rough growing dwarf tree, remarkable for its large calabash-like fruits.
124	Do. alata ...	Do. ...		A trunkless shrubby tree exhibiting a fantastic appearance.

125	Crossandra undulæfolia ...	Acanthaceæ. .	Waved leaved Crossandra.	A very distinct species with rich reddish orange flowers, a good hot weather flowering plant.
126	Crossostephium artemisioides.	Compositæ	China lavender ...	A small pot plant, silvery foliage.
127	Cuphea Jorullensis ...	Lythraceæ ...	Cigar flower ...	A straggling plant with small red flowers.
128	Dædalacanthus nervosus ...	Acanthaceæ...	Neelambarum ...	An herbaceous pot plant with blue flowers.
129	Dalbergia spinosa ...	Leguminosæ.	...	A large shrub with spiny pendant branches.
130	Desmodium umbellatum ...	Do. ...	...	A large shrub with small white flowers.
131	Dianthera sp. ...	Acanthaceæ. .	...	A pretty pot plant with loose racemes of pink flowers.
132	Dodonæa viscosa ...	Sapindaceæ. .	Vilaree or Switch sorrel.	A common shrub with small glossy foliage, suitable for hedge plants.
133	Dombeya angulata ...	Sterculiaceæ.	Wedding flower ...	A loose shrub, flowers pink, borne in large loose corymbs.
134	Do. Natalensis ...	Do. ...	Do.	Like the former, flowers pure white.
135	Duranta Plumieri ...	Verbenaceæ...	Scemai Kahsan or Sky flower.	A South American shrub with pretty blue flowers borne in small simple racemes.

Note.—Nos. 113, 114, 115, 116, 133 and 134, 12 annas each. No. 122, Rs. 2 each.

No.	Botanical Names.	Natural Orders.	Tamil or Common Names.	Description.
136	Duranta var. alba ...	Verbenaceæ.	..	A white variety of the above.
137	Ecbolium Linnæanum ...	Acanthaceæ.	...	A small shrub with greenish flowers.
138	Epiphyllum truncatum ...	Cacteæ ...	Leaf flowering cactus.	A very pretty free flowering shrub.
139	Episcia aurantiaca ...	Gesneraceæ.	...	A dwarf herbaceous perennial with yellow flowers.
140	Eranthemum bicolor ...	Acanthaceæ . .	...	A delicate plant, leaves thin and small, flowers white, spotted red.
141	Do. Andersoni ...	Do. ...	...	The two upper and lateral lobes of the flower pure white, the lower segment spotted crimson lake.
142	Do. var. No. 1 ...	Do. ...	..	Small light green leaves, flowers white, dotted purple.
143	Do. var. No. 2 ...	Do. ...	...	Like E. nobilis, leaves green, blotched yellow.
144	Do. elegans ...	Do. ...	...	Leaves green, blotched with white.
145	Do. tricolor ...	Do. ...	..	Leaves olive green, irregularly blotched with greyish purple and salmon pink.

146	Do. nobilis ...	Do. ...	...	Leaves long and narrow, green-margined with pink.
147	Do. versicolor ...	Do. ...	...	Like E. elegans, but dwarf in habit.
148	Do. reticulatum ...	Do. ..	...	Leaves green with a net work of gold.
149	Do. Cooperi ...	Do. ...	...	Flowers white, handsomely spotted with lines of small purple dots.
150	Do. atropurpurea.	Do. ...	...	Leaves dark lurid purple.
151	Do. metallica ...	Do. ...	...	Leaves rounded of a deep metallic hue.
152	Do. diversifolia ...	Do. ...	...	A rough-growing variety.
153	Erythrina Indio var. Parceli.	Legumiuosæ .	...	A variety of E. Indica with handsome variegated foliage.
154	Erythroxeylon monogynum	Lineæ ..	Danadarum ...	*The Indian Coca*, larger than the next species.
155	Do. Coca ...	Do. ...	Cocaine plant ...	A neat little shrub, white flowers, followed by small red berries.
156	Eugenia uniflora ...	Myrtaceæ ...	...	A pretty evergreen shrub, flowers white, fruits red.
157	Do. myrtifolia ...	Do. ...	...	A plant much resembling the true Myrtle.
158	Euphorbia Bojeri ...	Euphorbiaceæ	Spiny Spurge ...	A slender species with red flowers.
159	Do. splendens ...	Do. ...	...	A pretty species of a sturdy branching habit, bracts bright red.

No.	Botanical Names.	Natural Orders.	Tamil or Common Names.	Description.
160	Euphorbia nivulia ...	Euphorbiaceæ	Siroo elai kallee ...	Thick fleshy stem, small green leaves.
161	Do. tortilis ...	Do. ...	Thiruku kallee ...	Curiously twisted stem.
162	Do. tirucalli ...	Do. ...	Kombu kallee ...	*Milkhedge.*
163	Do. heterophylla ...	Do. ...	...	A small form of Pointsettia.
164	Do. pulcherima ...	Do. ...	Pointsettia ...	*See* Po ntsettia.
165	Excæcaria bicolor ...	Do. ...	...	A very ornamental shrub, under-surface of the leaf red.
166	Do. agallocha ...	Do. ...	Thillay chedy ...	A straggling shrub, found wild locally.
167	Fagræa obovata ...	Loganiaceæ ..	...	A medium-sized shrub with white fragrant flowers.
168	Francesia uniflora ...	Scrophulari-neæ. ...	...	A dwarf scandent plant with light blue flowers.
169	Filicium decipiens ...	Burseraceæ...	Kattoo paneras ...	An evergreen shrub with fern-like foliage
170	Flueggia leucopyrus ...	Euphorbiaceæ	Vella poolay ...	A. much branched shrub with white fruits.
171	Garcinia Livingstona ...	Guttiferæ ...	...	A large evergreen shrub.
172	Gardenia florida var. fl. pl...	Rubiaceæ ...	Cape jasmine ...	A dwarf shrub with white fragrant flowers.
173	Do. Fortunei ...	Do. ...	...	A dwarf shrub, flowers large. white and fragrant.

174	Do. lucida ...	Do. ...	...	A large shrub, flowers large, pure white.
175	Do. longistyla ...	Do. ...	Long styled gardenia.	A strong growing species, flowers white.
176	Gardenia Thunbergia ...	Do. ...	Starry gardenia ...	A shrubby plant with large white-scented flowers.
177	Do. gummifera ...	Do. ...	Gum bearing gardenia.	Medium sized shrub, flowers white, scented.
178	Gelonium lanceolatum ...	Euphorbiaceæ	...	A well-formed foliage shrub.
179	Glycosmis pentaphylla ...	Rutaceæ ...	Kongee chedy ...	A shrubby tree, flowers white, fruit red, edible.
180	Do. sapindoides ...	Do. ..	Kongee Pazhum ...	Habit of growth like the *China box*.
181	Gmelina asiatica ...	Verbenaceæ ...	Neelakkumulan ...	A small shrub, flowers yellow.
182	Do. hystrix ...	Do. ...		A scandent shrub, flowers yellow.
183	Gossypium arboreum ...	Malvaceæ ...	Semparoothee ...	*The cotton bush.*
184	Graptophyllum hortense ...	Acanthaceæ ...	Caricature plant ...	Leaves light green with creamy white variegation.
185	Do. lurida sanguineum.	Do. ...	...	Leaves purplish with blood-coloured veins.
186	Do. aureum ...	Do. ...	...	Leaves golden.
187	Guaiacum officinale ...	Zygophylleæ ..	Lignum-Vitae ...	A shrubby hard-wooded tree, flowers blue.
188	Do. Breyneii ...	Do. ...	...	Like the former, habit more spreading.
189	Do. Verticale ...	Do. ...	...	A new introduction.

Note.—No. 171, Re. 1 each.

No.	Botanical Names.	Natural Orders.	Tamil or Common Names.	Description.
190	Guettarda speciosa ...	Rubiaceæ ...	Punneer chedy ...	Flowers white, sweetly scented.
191	Hæmatoxylon campechianum.	Leguminosæ ..	Log wood ...	Useful hedge plant, flowers yellow, scented.
192	Hamelia patens ...	Rubiaceæ ...	Rat poison plant of W. Indies or Yelippachelay.	A medium sized shrub, flowers red.
193	Helicteres Isora ...	Sterculiaceæ ..	Screw tree ...	Foliage and habit resembles the *Hazel nut*, flowers orange red.
194	Heliotropium Peruvianum ..	Boraginaæ ...	Cherry-pie ...	A well-known garden plant.
195	Hemicyclia sepiaria ...	Euphorbiaceæ	Veeree ...	A shrubby tree, dark green foliage.
196	Heptapleurum stellatum ...	Araliaceæ ...	Star leaf ...	A rough scandent shrub.
197	Heritiera littoralis ...	Sterculiaceæ ..	Kannadielay marrum.	A rough shrub, foliage silvery beneath.
198	Hernandia peltata ...	Laurineæ ...	Jack-in-the-box ...	A large shrub or tree with large peltate leaves.
199	Hibiscus, about 20 varieties.	Maluaceæ ...	Shoe flower ...	Shrubby plants with snowy white, red, pale blue, and yellow flowers.
200	Hiptage madablota ...	Malpighiaceæ.	Madhavi ...	Scandent shrub, flowers white and yellow.
201	Holmskioldia sanguinea ...	Verbenaceæ ..	...	A dwarf shrub, flowers blood-red, in short axillary cymes.
202	Do. do. var...	Do. ...	...	Resembles the foregoing, flowers of a lighter colour.

203	Hugonia mystax ...	Lineæ ...	...	A small shrub, flowers golden-yellow.
204	Hydrangea hortensis ...	Saxifragaceæ.	Hydrangea ...	A well-known garden plant.
205	Impatiens Sultani ...	Geraniaceæ...	...	A succulent perennial with pink flowers.
206	Do. repens ...	Do. ...	Indian yellow Balsam.	A useful rockery plant, leaves dark green, flowers yellow.
207	Ipomaea carnea ...	Convolvulaceæ.	...	A rough shrub, very hardy.
208	Iresine Herbstii ...	Amarantaceæ	Blood leaf ...	A useful bedding plant, leaves dark maroon, midribs carmine.
209	Ixora Coccinea ...	Rubiaceæ ...	Koran ...	A small shrub with bright red flowers.
210	Do. rosea ...	Do. ...	Rosa Koran ...	Less robust than the former, flowers pale pink.
211	Ixora polyantha ...	Do. ...	Vellay Koran ...	A medium-sized shrub, flowers white, sweet-scented.
212	Do. parviflora ...	Do. ...	Shohundi Koran ..	A medium-sized shrub, flowers white.
213	Do. undulata ...	Do. ...	...	A small shrub, flowers small, white.
214	Do. flava ...	Do. ...	Manjul Koran ...	Do. do. yellow.
215	Jacobina aurantiaca ...	Acanthaceæ.	...	A strong growing species, flowers yellow.
216	Do. carnea ...	Do. ...	...	A dwarf plant with flesh-coloured flowers.

Note —No. 199, from 4 to 8 annas each. Nos. 200, 201, 202 and 204, 12 annas each. No. 216, 8 annas each.

No.	Botanical Names.	Natural Orders.	Tamil or Common Names.	Description.
217	Jacobina coccinea ...	Acanthaceæ. .	...	Like the former, but with scarlet flowers.
218	Jacquinia ruscifolia ...	Myrsineæ ...	Cross wood of San Domingo.	A medium-sized ornamental shrub.
219	Jasminum Sambac ..	Oleaceæ ...	Mallieppu ...	A well-known Indian shrub with white sweet-scented flowers.
220	Do. do. fl. pl. ...	Do. ...	Tuscan jasmine ...	A double form of the above.
221	Do. multiflorum ...	Do. ...	...	A more straggling shrub, flowers white and scented.
222	Jatropha multifida ...	Euphorbiaceæ	...	Leaves palmate, deeply lobed, flowers green.
223	Do. panduraefolia ...	Do. ...	Fiddle leaved ...	Flowers scarlet.
224	Do. curcas ...	Do. ...	Physic-nut ...	A shrubby plant, used largely in Pondicherry as a support for Vanilla.
225	Do. podagrica ...	Do. ...	Gouty stem ...	Bears large terminal cymes of orange red flowers.
226	Do. glandulifera ...	Do. ...	Segappu Amunackoo.	Resembles the Castor-oil plant.
227	Justicia gendarussa ...	Acanthaceæ...	Karoo nochee ...	A well-known edging plant, flowers blue.
228	Kalanchoë Brasiliensis ...	Crassulaceæ...	...	A succulent perennial with scarlet flowers.

229	Kopsia fruticosa ...	Apocynaceæ...	...	A handsome shrub with pretty pink flowers.
230	Lafœnsia vandelliana ...	Lythraceæ ...	Crinkle cup ...	A straggling shrub, flowers whitish, petals long, narrow and twisted.
